Amendments to the Specification

The amendments to the specification, as detailed above, merely provides the necessary priority information for this application. Applicant respectfully submits that no new matter is presented with these amendments.

Claim Amendments

The amendments to the claims, as detailed above, merely seek to place the application in a format that conforms to United States patent practice. Claims 1-14 were pending. Applicant has cancelled claims 10-14. Claims 1-14 were previously presented on April 22, 2005, in an Amendment and Response under Article 34 PCT to the Written Opinion dated October 25, 2004.

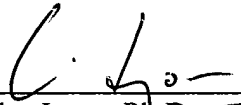

No new matter has been added by way of these claim amendments.

Conclusion

Applicant respectfully requests entrance of these amendments into the National Stage application that is filed herewith. Please charge any fees associated with this filing, or apply any credits, to our Deposit Account No. 03-1721.

Respectfully submitted,

Dated: June 2, 2005
